

Missy's big day out!! Bibs and Booties Young stock Show

Hi everyone,

I left Mohegan boot camp for a couple of days. When I got home everyone was pleased to see me, the next morning I had to get up at 8am and be washed and banded. I didn't realise that when I got on the float I was going somewhere. When I got off the float I saw that there were a lot of horses around me, all types of breeds. Well guess where I was at a horse show. I thought WOW!! I haven't been to one in months. Well I went well that day I won my best presented & I also won my 2years and under class to. Then after that I won champion & supreme champion. After all that fuss I had to go in the best 2year old in show, well guess what I also won that. My owner Shellina Walther was so surprised that she started crying when she came out the ring. I made everyone so pleased that day. I had so much fun that when I got home I was so tired and they put me in the big paddock with all my friends. Well that's all for me so check back later for more updates.

Cheers, Missy
